7. DESCRIPTION OF INCIDENT (use another sheet if necessary) master of my protest
 Diagram: one square = hull length; show positions of boats, wind and current directions, marks:

The race had just begun and we were on the wind heading to the first mark. Zulu and Major Tom were on starboard. Major Tom tracked onto port and headed towards Zulu who was still on starboard. We called to Major Tom claiming 'starboard' ~~and~~ twice and unfortunately MAJOR TOM kept coming. I attempted to get out of the way but was struck on my port side by MAJOR TOM who was on port.
